

Knee pad KneeGuard, One Size

Item number:

SNI-9110-0604-000

Created on 27.12.2023

Description

Ergonomically shaped knee pads for the best knee protection for work that requires frequent kneeling. The lightweight, flexible and durable knee pads have been developed to reduce strain and ensure the best comfort in everyday working life.

Lightweight knee pads with advanced knee protection and a comfortable fit. They are specifically designed for frequent kneeling in work environments that require a lot of movement and are classified to EN 14404 Type 2 Level 1. They offer protection against pebbles and various uneven surfaces. The EVA material allows for a lightweight and flexible construction and ensures that the knee pads are comfortable and easy to wear. The soft inner design adapts to the knee, keeps the knee pad in place and distributes the pressure generated when kneeling.

- EN 14404 type 2, knee protection level 1
- Made from EVA material
- Lightweight and flexible construction
- Compatible with the KneeGuard™ system
- Fits in every knee pad pocket of the Snickers Workwear pants

Material:

Description

- 50% EVA, 50% polyethylene.
