

Shaft barrier Alu 120 x 180 mm

Item number:

TRI-324.8882

Length:

120 cm

Width:

180 cm

Weight:

17 kg

Created on 30.12.2023

Description

The Triopan shaft barriers made of aluminum are optimally suited for fast and visible blocking of shaft work or the like. The new shaft barrier is available in two variants and is equipped with R2 foil. Thanks to the proven safety gate technology, the Triopan shaft barriers can be easily handled and require little space during transport and storage.

Advantages:

- Ideal for shaft work
- Space saving during storage and transport
- Easy to use. Equipped with reflective foil R2
- Available in two different sizes (120cm x 120cm and 120cm x 180cm)

Spare parts
