

FR 200 GREEN

1.8 kW Genus

800134

Drive time	With one battery ~ 22.5min, if delivered with two batteries pre-charged the drive time will be 45min.
Weight	68.8 kg
Performance	The same as FR 200 electro but for 45 min only (if with two batteries). Production 35-40m ² /h, calculated for 45min it gives exactly 30 m ² in total. Battery charge does not affect performance. It is constant thru all the battery discharge time.
