Description

myLean® floor markings can be used on almost all indoor surfaces. Our floor markings are self-adhesive and therefore quick and easy to apply. rLongLife floor markings are forklift-proof, even against turning on the marking. myLean GmbH is a manufacturer of floor markings. myLean LongLife floor markings were developed in our own laboratory to meet the most extreme requirements. The floor markings are produced in our own production facility in Germany. Whether for walkways, danger zones or storage areas. The right marking increases work safety and makes it easier to comply with regulations. The right marking gives you a good overview of the availability of your goods. Also with regard to stock reduction.
