Item number:

OKA-140-5017-001

Weight:

5 kg

Created on 05.01.2026

Description

Solvent-based 2-component polyurethane-based hall marking paint. For the highest demands on mechanical and chemical resistance, high adhesion and low susceptibility to soiling.

The ideal hall marking paint when it comes to high durability under heavy loads from forklifts or similar. In addition, the marking does not get dirty so quickly as it has a very smooth surface.
