

# ATT F 200 - Road dryer for road marking and road rehabilitation

Item number:

ATT-F200

Length:

165 cm

Width:

55 cm

Height:

130 cm

Weight:

140 kg

Created on 02.01.2025

## Description

The state-of-the-art F200 twin turbine dryer has been designed for ultimate performance and convenience. With its non-flammable construction and robust IP67 4.3 display, this appliance combines safety with durability.

The advanced telematics system keeps you connected with real-time tracking and reports. This means you are always informed about the status of your machine. The effortless and maneuverable design with adjustable nozzle height and drying widths from 20 to 100 cm easily adapts to any task.

The F200 is compatible with attachable drive trolleys and can reach drying speeds of up to 5 km/h. The machine maximizes productivity and runs efficiently for 56 to 75 minutes on a single tank of fuel.

Improve your drying process - experience unrivaled performance and reliability today!

### Display, telematics & GPS system

4.3 4-button display with Zirocco telematics and 4G antenna

### Drying speed

Up to 5 km/h - range up to 4700 m with one tank of fuel

# Description

## Operating temperature

-10 degrees Celsius to 40 degrees Celsius

## Working lights

Working lights installed for night operation

## Interchangeable nozzles and drying widths

20 - 100 cm - supplied with 35 cm standard nozzles

## Battery and charging

12V 96 Ah car battery (approx. 3 - 5 hours operation on a full charge)

## Fuel specifications

Standard diesel EN590 or Exxsol D80/Shellsol D70 petroleum/kerosene 3 percent Zirocco turbine oil

## Fuel tank capacity

45 liters

## Fuel consumption (max.)

48 L/hour 56 - 75 min. operation with one fuel tank

## Turbine setting

Dual turbine adjustment for maximum performance

## Fastening and lashing

Equipped with anchor points for easy attachment and lashing

## Maximum noise level at 100%

108 dB LWA

## Adjustable nozzle height

Lever for adjusting the nozzle height and preventing burn marks on the asphalt

## Dimensions and weight

L:165 x W:55 x H:130 cm - 140 kg without fuel

## Maintenance interval of the turbine module

100 hours (recommended annually)

## Line driver compatible

Can be coupled to drive trolley

## ATT Turbine Oil for Zirocco Street dryer

Item number: ATT-960001

Original ATT turbine oil for the Zirocco road dryer.  
25 pieces 1 litre container per carton
