

CARGO Trolley

Item number:

FED-A-MC

Length:

126 cm

Width:

34 cm

Height:

20 cm

Weight:

13.2 kg

Created on 28.03.2025

Description

CARGO is the manhole cover lifter for opening very heavy and large manhole covers.

The distance between the wheels is easily adjustable, and the trolley can also be fitted with up to 3 magnets - this increases the load capacity.

It is available in the following versions:

- mechanical - for non-magnetic manhole covers, equipped with the manhole cover lifting trolley and a hook bar
- magnetic - for ferrous manhole covers, equipped with the manhole cover lifting trolley and one, two or up to three Rhino Ultra 300 magnets
- hybrid - for manhole covers made of all materials, includes the manhole cover lifting trolley, one, two or three Rhino Ultra 300 magnets and a hook strip

Tare weight: 13.2 kg

Dimensions (LxWxH): 126 x 34 x 20 cm

Description

Load capacity: 120 kg

Spare parts

Allround lid lifter complete

Item number: BEC-DH-AR

A very compact, lightweight and most importantly collapsible manhole cover lifter.
