

Dog waste bags for Snoopie bag dispenser - red

ELB-03.07.0265

Length:

20 cm

Width:

35 cm

Created on 03.08.2025

Description

The Snoopie dog waste bags are specially designed to fit the Snoopie dog waste bag dispenser. With their narrower format, these dog waste bags offer a practical, hygienic solution for disposing of dog waste - ideal for use in public spaces, when out and about or on walks.

Made from high-quality HDPE recycled material, the dog waste bags are particularly tear-resistant, opaque (in black) and environmentally friendly. The closed raw material cycle and the use of recycled materials actively support the sustainable use of resources.

Thanks to the clean perforation, the bags can be torn off the block individually and easily without several bags being taken away at the same time unintentionally. This guarantees simple and clean use in everyday life.

Description:

Material: HDPE regenerated material

Dimensions (W \times H): 20 x 35 cm (3 cm block edge

Thickness: 15 my

Color: Red

Scope of delivery: 5,000 dog waste bags in a box (50 blocks of 100 pieces each)

Description

Assembly and safety instructions:

The bags are intended for single use only. They can be removed individually and cleanly through the perforation. Only use in dispenser systems intended for this purpose and dispose of properly in residual waste. Keep away from children - risk of suffocation if used incorrectly.

For use in the following areas

- Public green spaces
- Footpaths, schoolyards and playgrounds
- Towns, municipalities and housing estates
- Traffic-calmed areas and rest areas
