

SOPPEC - Tracing floor marking spray white

For small markings indoors and outdoors or for pre-

Item number:

SOP-151800E

Created on 30.05.2026

Description

The floor markings are visible for up to 12 months (depending on the surface and load on the marking)

- Excellent adhesion to asphalt and concrete
- For outdoor use (e.g. parking lot markings)
- Good weather resistance and short drying time
- Precise lines thanks to a special nozzle

For marking parking lots and small markings or for pre-marking road markings.

1 packaging unit = 6 spray cans of 750 ml each

84 packaging units correspond to a full pallet = 504 spray cans per 750 ml
